

EDGEMONT PTA After School Clubs Spring 2020

Dear Families,

Welcome to the Spring session of the PTA's After School Clubs! We are pleased to offer programs that will keep our children engaged at the end of the school day. Below you will find information on all of our offerings for Spring 2020.

Registration opens Tuesday, March 3rd, at 8:30 pm, and closes Wednesday, March 11th at 10:00pm.

Please note that you can only register your own child(ren) for clubs. Also, students from both schools are eligible for classes regardless of the location. However, parents are responsible for transportation.

Once again, each school will have its own Eventbrite registration site. To register your child(ren) for a club at a given school, please go to the specific Eventbrite site for that school. The two links will be posted on our site. As always, we operate on a first come, first served basis. For the best chance of getting a spot, we recommend registering as soon as the Eventbrite sites open. To be added to the wait list of a sold-out club, do not use Eventbrite's wait list function. Please email your request directly to either greenvilleasc@gmail.com or seelyplaceasc@gmail.com, depending on the location of the club in question.

Please see the end of this catalog for our cancellation policy and other important information. If you have any questions or concerns, please contact us at greenvilleasc@gmail.com or seelyplaceasc@gmail.com.

Thanks,

The After School Clubs Committee

**** As a reminder, the After School Clubs program is administered by the Edgemont Elementary PTA and is not affiliated with the Edgemont School District. To participate in this program, your PTA Membership Dues must be paid prior to registration. ****

Spring 2020 After School Clubs begin Tuesday, April 14th and end Monday, June 15th.

SEELY PLACE – Spring 2020 After School Clubs

MONDAY

Cheer - NEW!

New York All Stars Fitness and Performing Arts

Mon. 3:15-4:15/K-2

Fee: \$230

New York All Stars school enrichment programs aim to promote leadership, teamwork and wellness through fitness and performing arts. Each class is uniquely designed to serve your students using our expert-developed curriculum, which fuses the benefits of belonging to a sports team with confidence building performance skills. Students are engaged in our cheer class from the beginning with age and developmentally appropriate cardio warm-up, stretching and conditioning. Next we introduce motion technique to build coordination and muscle memory. Then we move on to the cheer elements including jumps, choreography, cheers and chants using your school's team name and mascot. Introductory stunts and tumbling are led later in the semester during special sessions, and after basics are mastered; to create a final performance piece that is video recorded and shared with parents via a private link. All materials and equipment are provided by New York All Stars.

Chocolate Delights - NEW!

Carla Manzo & Antonietta Queralt

Mon. 3:15-4:15/K-3

Fee: \$240

Do you love everything chocolate? Is your favorite meal dessert? Let's have tons of fun as we learn about and create foods and desserts with chocolate. We will create chocolate covered strawberries, bananas, pretzels, and many other fun foods. We will use vanilla, dark chocolate, strawberry and milk chocolate to cover treats. At the end of class we will send home the recipe so you can try it at home. This will be a peanut-free environment.

Hocus Pocus Magic - NEW DAY & GRADE LEVEL!

Magic Dave

Mon. 3:15-4:15/K-3

Fee: \$255

Professional magician David Ferst will show your kids the how-to behind the hocus pocus in this introductory magic course that will delight our youngest aspiring magicians. Students will uncover the secrets of magic with cards, coins, mind reading, and everyday objects; and get to do hands-on magic in each class! The cost of this class includes special magic supplies that each student will receive during the course and will get to keep. *Repeat students welcome as new tricks and magic will always be taught!*

Chess

National Scholastic Chess Foundation

Mon. 3:15-4:15/K-6

Fee: \$240

Come one, come all! This chess class is for all skill levels, in all grades. Multiple teachers will be on hand and students will be taught according to ability. Beginner, Intermediate and Advanced levels will be offered for all to enjoy the wonderful game of Chess.

Flag Football*

Kids in Sports

Mon. 3:05-4:05/2-5

Fee: \$250

Our favorite coach, Kenneth Colon, owner of Scarsdale's Kids in Sports, is back for another round of fun-filled Flag Football. Come join Kenneth as he teaches the fundamentals of football in a fun and safe environment, along with other non-contact football related games like Capture the Flag, Flag Tag, Agility Obstacle Courses and more. Each class, Coaches will help kids learn the multi-faceted game of football by developing individual skills at each position with technical drills and then allow children to apply these skills in safe gameplay. Children will be introduced to the rules of the game as well as learn sportsmanship and respect for opponents. Kids in Sports will provide an encouraging and safe environment for your child to grow in America's most popular sport. **Class runs from 3:05-4:05pm. In case of inclement weather, class will be held in the APR.*

Loop-d-Loop Crochet

Stephanie Bruno

Mon. 3:15-4:15/2-6

Fee: \$240

In this class students are introduced to basic crochet techniques, including the slip knot stitch, chain stitch, single stitch, and double crochet stitch. Students will also learn different types of and uses for crochet hooks. Get ready to have fun and to use your creativity to complete such fun projects as flip-flops and hair accessories.

Introduction to Acting, Improvisation and Public Speaking - NEW!
Westchester School of Speech & Drama

Mon. 3:15-4:15/3-6
Fee: \$245

This class offers an introduction to drama through acting, improvisation and public speaking exercises. Students will learn how to perform poetry, prose and monologues. They will learn how to collaborate in teams by working as an ensemble. They will also learn how to stand up and speak out individually. Finally they will be introduced to improvisation and public speaking exercises in a safe, non-competitive environment. Improvisation and public speaking exercises helps students think creatively, act confidently, and believe in themselves.

Woodworking: Small Projects - NEW!
Curious-on-Hudson

Mon. 3:15-4:15/3-6
Fee: \$270

This class focuses on more detailed tabletop projects that focus on refining woodworking skills. Projects include a storage box, a tripod frame, a geometric planter, and other gadgets, based on class interest and skills. No prior woodworking experience is needed but we do recommend students realize that woodworking is a combination of planning, preparation and actual woodworking. We use math skills to measure and mark and we take our time to create projects that students will be able to take home.

TUESDAY

Sculpture Club - NEW!
Kim Kilcoyne

Tues. 3:15-4:15/K-2
Fee: \$210

Students will explore clay and sculpture using hand-building and the pottery wheel to make animals, pots, vases, and pieces inspired by outdoor nature this spring. All pieces will be glazed and fired in the kiln. Get ready to unleash your imagination and creativity!

Korean
Mrs. Kim

Tues. 3:15-4:15/K-2
Fee: \$225

안녕하세요 (Ahn-nyong-ha-sae-yo)! This class is for beginner level students interested in learning the Korean language. Mrs. Kim, the Vice Principal of the Dongsan Korean School in Yonkers, has 25 years of experience and will focus on teaching commonly used phrases and basic vowel recognition. She will also incorporate aspects of the Korean culture throughout her curriculum. Mrs. Kim is passionate about immersing the children in the Korean language both in class and at home.

Double Play: Floor Hockey & Lacrosse - NEW!
Overtime Athletics

Tues. 3:15-4:15/K-2
Fee: \$225

Why learn one sport when you can learn TWO! In this Double Play class, you will learn Floor Hockey Game Play and skill work to include stick handling, dodging, ball control, and of course shooting will be introduced and practiced from week to week. Learn the different ways to put a shot on goal by incorporating wrist shots, slap shots, snap shots, and the backhand. Our Coach will also teach you the skills you need to play Lacrosse; cradling, passing and catching, scooping, shooting and defense. We'll even provide the sticks for this introduction to the game and exposure to the basics of Lacrosse! Capture the Lax Ball, Ground Ballhogger and Dodger are some of our favorite games to play. This perfect mix of scrimmaging and stations allows players to interact with Coaches and teammates in a fun and exciting way. Join and have DOUBLE the fun!

Piano*
John Bailey

Tues. 3:15-4:15/1-6
Fee: \$220

This class offers an introduction to the world of music through the development of piano skills. Students will learn basic music notation, harmony, rhythm, and song form, while practicing solo repertoire. Beginners and returning students are all welcome to attend, and all students will perform in a recital at the end of the session.

*Please note that access to a keyboard/piano at home is required as your child will be asked to practice outside of the classroom. Headphones are required and are to be left in the classroom for the duration of the class.

Pokémon League Level I - NEW!**Tues. 3:15-4:15/2-4****Discover Camp****Fee: \$250**

Pokémon trainers get ready! In this league, trainers will battle, collect, and trade their cards to win prizes and badges. Prizes include booster packs, theme decks and more. Trainers have the opportunity to become Pokémon masters and challenge the gym leader of the class. Students will learn math skills such as probability, subtraction, addition, and multiplication while participating in these exciting card games. Your adventure awaits!

Introduction to App Making**Tues. 3:15-4:15/2-6****A Graf-Daniels, Kids Can Code****Fee: \$225**

Children will learn and use basic JavaScript to program and design their own apps that can be saved and scanned onto iPhones and iPads. Please note: you will need to download a QR scanner app onto your device.

Introductory Photography**Tues. 3:15-4:15/4-6****Kevin Luker Photography****Fee: \$295**

The students will learn the basics of photography and how to develop their eye to see the light and use the camera as a tool for their artistic expression. Every student will be given a camera, reflector and small tripod to use throughout the course. They will learn the basics of the exposure triangle and how shutter speed, aperture and ISO will affect their photos. Each week we will discuss different photography techniques. Students will have the opportunity to explore the differences of constant light, strobe and natural light. Every other week, we will have photography assignments using techniques discussed in class with review of their work. During the session students will take photos of each other using professional photography equipment. Each student must sign a photo release to be eligible for the session.

WEDNESDAY**Indoor Tennis****Wed. 3:15-4:15/K-2****TGA of Westchester****Fee: \$265**

Get in the swing of tennis and see if it's your game, set, match! Students will experience a mix of tennis instruction, rules and etiquette lessons, educational components, character development lessons, and physical activity as they advance through the five-level program. The certified instructors are trained to help the student-athlete develop a strong foundation of skills and knowledge as well as a passion for the sport. Rackets will be provided.

Spring Recycling Crafts**Wed. 3:15-4:15/K-2****Hillary Malatesta****Fee: \$220**

Ms. Malatesta will teach your children to love making creative and useful crafts and at the same time help save the environment. Projects are centered on the spring season and use everyday items. Colorful butterflies, glowing lighthouses, sparkly unicorns, super cute chicks and special Mother and Father's Day surprises are just a few. So let's have fun upcycling our recyclables into fun new things!

LEGO: Jurassic Brickland - NEW!**Wed: 3:15-4:15/K-2****Bricks 4 Kidz****Fee: \$250**

You're about to enter Jurassic Brick Land! Students will build a world that comes to life with our battery powered, motorized gentle Brontosaurus, ferocious Velociraptor, terrifying T. Rex, and more. We'll learn about amazing dinosaurs that lived during the Jurassic period, and other extinct, prehistoric animals that roamed the earth and swam the seas during that era and millions of years later. Come learn, build and play at Jurassic Brick Land class! All students will receive a battery, motor and a tech brick starter kit at the end of the session.

Pop-up Book Making* - NEW!**Wed. 3:15-4:30/1-3****Deborah Mumford & Jessica Leonard****Fee: \$245**

Join Mrs. Leonard and Dr. Mumford in one of their writing clubs that offers unique and creative book making designs each week! From mini-poetry offerings to twig books with nature themes, each week offers a new book style craft and writing experience. Join us!!! **This class will run from 3:15-4:30 for 8 weeks: Apr 15, 22, 29; May 6, 13, 20, 27; June 3.*

The Paint Palette - NEW GRADE LEVEL!**Stephanie Bruno**

Kids will enjoy a step-by-step experience in creating their own piece of artwork that they can take home to show to their families! The kids will have fun sketching out an idea for a painting, which they will later paint onto a canvas. Art can be an incredible experience when mixing primary colors into an array of color combinations. Their amazing artwork will develop into a unique masterpiece! *Repeat students are welcome as new projects will always be taught!*

Wed: 3:15-4:15/1-6**Fee: \$250****iSprint Speed & Agility (3:05-4:05pm)* - NEW!****Overtime Athletics**

Take the first step to a faster step! Come join us as we go up and down, left and right, back and forth all the way to the finish line. OTA will implement its signature curriculum for teaching the latest techniques in athletic skill development. This "one stop shop" for improving as a soccer player, basketball player, football player, baseball player, lacrosse player, field hockey player, tennis player, volleyball player, and playground champion will include games, track and field contests, and a field day atmosphere every class! This program will include elements of the Presidential Fitness Challenge and Road Runners Course Program. The only question that will be asked, "Can you beat who you were on the first day, when you play on the last day?" Sign up to find out! **Class runs from 3:05-4:05pm. In case of inclement weather, class will be held in the Lower Gym.*

Wed. 3:05-4:05/2-4**Fee: \$210****Robotics & Engineering - NEW!****RoboThink**

Join RoboThink's fun and exciting robotics class! Build your own unique robot each class using modular parts and make them move using motors, sensors and electronics. Weekly projects introduce engineering concepts through engaging games, activities and challenges. RoboThink is a hands-on learning experience where kids maximize self-learning and discover that building robots is easy, educational and fun!

Wed: 3:15-4:15/3-5**Fee: \$270****Advanced Spanish* - NEW!****Ximena Ariñez**

¿Habla español? If the answer is "sí" or if you understand basic Spanish, then you can join this fun club! You'll increase your vocabulary and self-confidence when communicating in this language improving communication skills through listening, speaking, reading, and writing **Note: should there be fewer than 6 students in the club, the class time will be shortened to 45 minutes as this will provide adequate time for the teacher to concentrate on each child.*

Fri. 3:15-4:15/3-5**Fee: \$240****THURSDAY****Soccer*****NY Red Bulls**

NY Red Bulls Soccer brings to Edgemont a blend of all the best-known practices and coaching methods from around the globe. Through a unique games-based approach to teaching soccer, each child has the opportunity to develop motor skills, social skills, coordination, general athletic ability, and a love of soccer in a stimulating, motivating educational environment. If there is sufficient enrollment, girls and boys will be assigned to separate trainers.

**Class runs from 3:05-4:05pm. In case of inclement weather, class will be held in the Lower Gym.*

Thurs. 3:05-4:05/K-2**Fee: \$225****Spring Cooking Fling****Kids Cookery**

Spring is the perfect time of year to cook up some of the Season's freshest fruits and veggies. Come join this "hands on" class as we prepare veggie muffin cup omelets, cake fruit parfait with whipped cream, Mexican lasagna, spinach cheese dough balls, chocolate brownie drops, our favorite "NY style" soft pretzels and a sweet Mother's Day recipe! As always there will be lots of "pop up" surprises along the way!

Thurs. 3:15-4:15/K-2**Fee: \$265****Hip Hop* - NEW!****Sasha Meyer-Porco**

Come join our very own Hip Hop class offered by Miss Sasha from Westchester Performing Arts in Ardsley. Students will have an opportunity to learn one of the most popular styles of dance all while having a fun and exciting time. In the class Miss Sasha will start with a stretch and strengthening exercises. She will incorporate individual movements for students to learn how to use and control their bodies and movements. Choreography will be given and turned into an excerpt of a dance routine for the students to perform at the end of the session. **Class runs from 3:05-4:05pm*

Thurs. 3:05-4:05/K-2**Fee: \$230**

Piano***John Bailey****Thurs. 3:15-4:15/1-6****Fee: \$220**

This class offers an introduction to the world of music through the development of piano skills. Students will learn basic music notation, harmony, rhythm, and song form while practicing solo repertoire. Beginners and returning students are all welcome to attend and all students will perform in a recital at the end of the session.

**Please note that access to a keyboard/piano at home is required as your child will be asked to practice outside of the classroom. Headphones are required and are to be left in the classroom for the duration of the class.*

Computer Programming**A Graf-Daniels, Kids Can Code****Thurs. 3:15-4:15/2-6****Fee: \$225**

In this class, we will explore many options in computer programming. If you are new to programming we will start with code.org and Blockly. For more experienced coders, we will use CodeCombat to learn either JavaScript or Python, game making with Crunchzilla's GameMaven, and app making with Bitsbox.

Wide World of Physics - NEW!**STEAMWorks Studio****Thurs. 3:15-4:15/3-5****Fee: \$270**

Get ready to learn fundamental concepts of physics through fun, hands-on projects! By learning about subjects such as the laws of motion, optics, and circuits, students will better understand how things work around us in our world of electronics and automation.

Introduction to Brush Calligraphy - NEW!**Lillian Liming****Thurs. 3:15-4:15/4-6****Fee: \$285**

In this beginner class, students will learn modern calligraphy using brush pens. We'll cover the foundations of brush calligraphy - everything from how to hold and use a brush pen, recommended tools to use, the core brush strokes, how to form each letter of the alphabet, and finally how to put it all together to form beautiful words, and phrases. If time allows, students will also be introduced to watercolor brush lettering as they become familiar with the core techniques. Each participant will receive a starter kit, which includes four (4) brush pens in a personalized hand-lettered pen pouch, along with a workbook, plus weekly supplementary worksheets, all to take home and keep so they can continue practicing! You can check out Lillian's work on the web at www.lillianliming.com or on IG @lillianliming.

FRIDAY**Coding and Robotics - NEW DAY!****STEAMWorks Studio****Fri. 3:15-4:15/K-1****Fee: \$265**

Introduce your child to programming and robotics! Students will be taught programming concepts using Scratch Jr, an introductory language that enables young children to create their own interactive stories and games. With Dash, students will have fun interacting with a programmable robot that can move, make sounds, and react to its surroundings!

Golf* - NEW DAY!**TGA of Westchester****Fri. 3:05-4:05/K-2****Fee: \$250**

TGA makes it convenient and fun for your kids to learn and play golf right on their school campus! Our curricula were specially designed by industry-leading golf professionals and education specialists to ensure that lessons are age-appropriate and easy to understand and retain. Students will experience a mix of golf instruction, rules and etiquette lessons, educational components, character development lessons, and physical activity as they advance through the five-level program. Our screened and certified instructors have a passion for working with children and are trained to help your student-athlete develop a strong foundation of skills and knowledge as well as a passion for the sport. TGA provides all equipment. First-time students receive a TGA hat and student handbook, and students earn color-coded TGA hat clips at every level. **Class runs from 3:05-4:05pm. In case of inclement weather, class will be held in the APR.*

My First Lemonade Stand - NEW!**SPARK Business Academy****Fri. 3:15-4:15/K-2****Fee: \$230**

Let's sell lemonade! Join us for this fun class, where you will learn how to make yummy lemonade and how to earn money selling it! Fun sessions empower students with an entrepreneurial mindset for their lemonade stand. Students learn about marketing, finance and strategy in a supporting environment fostering team work. From designing marketing flyers to estimating profits to experimenting with recipes, young students will have fun while engaging in enriching activities with a lasting developmental impact. Students work in teams and donate profits to a charity when they launch their lemonade stand in the spring!

Spanish***Ximena Ariñez****Fri. 3:15-4:15/K-3****Fee: \$230**

¡Hola Amigos! Did you know that learning a foreign language improves your cognitive development? Or that Spanish is the second most common language in the country, spoken by approximately 35 million people? Or that it is easier for children than adults to learn a second language? Well, all this is true, so come and join us in this 10-week course that is designed for students who have some background learning this language or none at all. They will leave learning something new and eager to learn more. **Note: should there be fewer than 6 students in the club, the class time will be shortened to 45 minutes as this will provide adequate time for the teacher to concentrate on each child.*

Piano***John Bailey****Fri. 3:15-4:15/1-6****Fee: \$210**

This class offers an introduction to the world of music through the development of piano skills. Students will learn basic music notation, harmony, rhythm, and song form while practicing solo repertoire. Beginners and returning students are all welcome to attend and all students will perform in a recital at the end of the session.

**Please note that access to a keyboard/piano at home is required as your child will be asked to practice outside of the classroom. Headphones are required and are to be left in the classroom for the duration of the class.*

Game Design with Scratch**The Digital Arts Experience****Fri. 3:15-4:15/2-4****Fee: \$255**

Take your Scratch skills to the next level! In this class, students will brainstorm, plan, and build games using Scratch. From simple maze games to multi-level platformers, there is practically no limit to what you can create! Students can expect to finish a number of games throughout this class.

Cartooning - NEW!**Creative Heart****Fri. 3:15-4:15/2-5****Fee: \$245**

Let your imagination go wild and make your very own comic book! In this fun class, kids will learn the basics of cartooning: story development, creating interesting characters, drawing bodies in motion, exaggerated facial expressions, and wacky environments. Everyone will go home with their very own custom-made comic books!

GREENVILLE – Spring 2020 Course Descriptions

MONDAY

Outdoor Golf*

Mon. 3:15-4:15/K-2

TGA of Westchester

Fee: \$240

TGA makes it convenient and fun for your kids to learn and play golf right on their school campus! Our curricula were specially designed by industry-leading golf professionals and education specialists to ensure that the lesson plans are age-appropriate and easy to understand and retain. Students will experience a mix of golf instruction, rules and etiquette lessons, educational components, character development lessons, and physical activity as they advance through the five-level program. Our screened and certified instructors have a passion for working with children and are trained to help your student-athlete develop a strong foundation of skills and knowledge as well as a passion for the sport. TGA provides all equipment. First-time students receive a TGA hat and student handbook, and students earn color-coded TGA hat clips at every level. * *In case of inclement weather, the club will be held in the APR except for 4/27 (APR not available).*

Spanish

Mon. 3:15-4:15/K-2

Ximena Ariñez

Fee: \$230

¡Hola Amigos! Did you know that learning a foreign language improves your cognitive development? Or that Spanish is the second most common language in the country, and is spoken by approximately 35 million people? Or that it is easier for children than adults to learn a second language? Well, all this is true, so come and join us in this 8-week course that is designed for students who have some background learning this language or none at all. They will leave learning something new and eager to learn more.

RoboThink Robotics & Coding

Mon. 3:15-4:15/K-2

RoboThink

Fee: \$240

Join RoboThink's fun and exciting robotics and coding class! Build robots and make them move using electronics, motors, remote controls and coding on tablets. Each week students learn engineering concepts through engaging activities and challenges. RoboThink is a hands-on learning experience where kids maximize self-learning and discover that building robots is easy, educational and fun! Any students who took RoboThink before will continue their journey and work on more advanced robot designs while new students will learn the basics of Robotics.

Spring Recycling Crafts - NEW!

Mon. 3:15-4:15/K-2

Hillary Malatesta

Fee: \$210

Ms. Malatesta will teach your children to love making creative and useful crafts and at the same time help the environment. Projects are centered on the spring season and use everyday items. Colorful butterflies, glowing lighthouses, sparkly fish, super cute chicks and special Mother and Father's Day gifts are just a few. So let's have some fun upcycling our recyclables into fun new things!

Jewelry, Accessories and Beading

Mon. 3:15-4:15/K-4

Beadz

Fee: \$245

In this creative, engaging, and hands-on workshop, students tap into their visual and math skills to construct high-quality beaded jewelry & accessories. Everyone will work on a design board and choose from a beautiful selection of beads, charms, and components including: ceramics, sea glass, crystals, lead-free charms, and much more. New projects will be featured each week including: necklaces, bracelets, key chains, rings, hair accessories, and many NEW surprise items to bead! All levels are welcome and accommodated!

Korean

Mon. 3:15-4:15/K-6

Minyoung Lee

Fee: \$230

This class focuses on learning Hangul (The Korean Alphabet) for first-time Korean language students and learning the expressions used in everyday life through fun activities and songs. In particular, students will learn and experience Korean culture (traditional games, songs, holidays, etiquette, food, etc.).

Aerospace Engineering - NEW!

Mon. 3:15-4:15/3-6

STEAMblazers

Fee: \$250

Students use the Engineering Design Process to design, create, test and refine a variety of flying machines. They construct a shock absorbing system designed to protect two marshmallow astronauts in a lunar vehicle, create their own air-powered rockets and assemble a model blimp that takes flight!

Outdoor Tennis* **Mon. 3:15-4:15/3-6**
TGA of Westchester **Fee: \$240**
TGA makes it convenient and fun for your kids to learn and play tennis right on their school campus! Our proprietary curricula for elementary and middle school were created by TGA's education experts and the United States Tennis Association (USTA). Students will experience a mix of tennis instruction, rules & etiquette lessons, educational components, character development lessons, and physical activity as they advance through the five-level program. Our instructors are screened and certified for working with children. * *In case of inclement weather, the club will be held in the APR except for 4/27 (APR not available).*

TUESDAY

Outdoor Tennis* **Tue. 3:15-4:15/K-2**
TGA of Westchester **Fee: \$265**
TGA makes it convenient and fun for your kids to learn and play tennis right on their school campus! Our proprietary curricula for elementary and middle school were created by TGA's education experts and the United States Tennis Association (USTA). Students will experience a mix of tennis instruction, rules & etiquette lessons, educational components, character development lessons, and physical activity as they advance through the five-level program. Our instructors are screened and certified for working with children. * *In case of inclement weather, the club will be held in the APR except for 4/28 (APR not available).*

Small Worlds: Fairy Gardens & Dioramas - NEW! **Tue. 3:15-4:15/K-2**
Anne O'Connor **Fee: \$250**
Using colorful polymer clay to create figures and architecture, we will design miniature landscapes in containers, with small living plants and other elements such as stones and driftwood or shells. Many themes are possible including castles, beaches, jungles, farms, alien planets, and more.

Chocolate Delights - NEW! **Tue. 3:15-4:15/K-3**
Carla Manzo & Antonietta Queralt **Fee: \$250**
We will create chocolate covered strawberries, bananas, pretzels, etc....We will use vanilla, dark chocolate, strawberry and milk chocolate to cover treats. All treats will be peanut free.

Hocus Pocus Magic **Tue. 3:15-4:15/K-4**
Magic Dave **Fee: \$275**
Professional magician David Ferst will show your kids the how-to behind the hocus pocus in this introductory magic course that will delight our youngest aspiring magicians. Students will uncover the secrets of magic with cards, coins, and everyday objects, mindreading and they'll get to do hands-on magic in each class! The cost of this class includes special magic supplies that each student will receive during the course and will get to keep. *Repeat students welcome as new tricks and magic will always be taught!*

3D Printing with Minecraft - NEW! **Tue. 3:15-4:15/1-3**
The Digital Arts Experience **Fee: \$275**
What's better than building in Minecraft? How about being able to 3D Print objects that you build in Minecraft! Students will explore 3D printing technology and learn how a 3D printer operates. They will then use Creative Mode in Minecraft to build castles, villages, characters, and more, and 3D print their designs to take home!

Puppet Show & Puppet Making **Tue. 3:15-4:15/1-6**
Stephanie Bruno **Fee: \$250**
Make your own puppet show! Puppets are a great way for kids to get crafty and creative with characters! Let the kids bring their creativity and imagination using basic craft supplies. The kids will then come up with characters for their story and stretch their imagination. Once they practice, it's show time!

Piano* **Tue. 3:15-4:15/1-6**
Katie Calnon **Fee: \$220**
This class offers an introduction to the world of music through the development of piano skills. Students will learn basic music notation, harmony, rhythm, and song form while practicing solo repertoire. Beginners and returning students are all welcome to attend, and all students will perform in a recital at the end of the session. Books will be provided. * *The club will run for 8 weeks only (no club June 2).*

Spanish - NEW GRADE LEVEL!**Ximena Ariñez****Tue. 3:15-4:15/3-6****Fee: \$240**

¡Hola Amigos! Did you know that learning a foreign language improves your cognitive development? Or that Spanish is the second most common language in the country, and is spoken by approximately 35 million people? Or that it is easier for children than adults to learn a second language? Well, all this is true, so come and join us in this 9-week course that is designed for students who have some background learning this language or none at all. They will leave learning something new and eager to learn more.

Outdoor Golf***TGA of Westchester****Tue. 3:15-4:15/3-6****Fee: \$265**

TGA makes it convenient and fun for your kids to learn and play golf right on their school campus! Our curricula were specially designed by industry-leading golf professionals and education specialists to ensure that the lesson plans are age-appropriate and easy to understand and retain. Students will experience a mix of golf instruction, rules and etiquette lessons, educational components, character development lessons, and physical activity as they advance through the five-level program. Our screened and certified instructors have a passion for working with children and are trained to help your student-athlete develop a strong foundation of skills and knowledge as well as a passion for the sport. TGA provides all equipment. First-time students receive a TGA hat and student handbook, and students earn color-coded TGA hat clips at every level. ** In case of inclement weather, the club will be held in the APR except for 4/28 (APR not available).*

WEDNESDAY**Coding & Robotics w/ Scratch & Dash - NEW!****STEAMWorks Studio****Wed. 3:15-4:15/K-1****Fee: \$270**

Introduce your child to programming and robotics! Students will be taught programming concepts using Scratch Jr, an introductory language that enables young children to create their own interactive stories and games. With Dash, students will have fun interacting with a programmable robot that can move, make sounds, and react to its surroundings!

Fun with Fitness - NEW!**Hi Five Sports Metro****Wed. 3:15-4:15/K-2****Fee: \$240**

Our Fun with Fitness class is for students looking to have fun while learning to improve their fitness level and create healthy habits needed to excel in sports and recreational activities. During the class the children will learn about nutrition, basic movements, strength and conditioning, and how the body works. Your child will learn to set goals and achieve them all while having lot of fun. The program will be led by coaches who have experience in working with fitness and child development to ensure your child gets the most out of the class. ** The club will be held outdoors. In case of inclement weather, the club will be held in the APR except for 4/29 (APR not available).*

“Lion King” Mini-Musical - NEW!**Artistree Performing Arts****Wed: 3:15-4:15/K-3****Fee: \$280**

If your child loves to perform, then Artistree’s “Lion King” Mini-Musical is the perfect after school offering! Children will audition, be cast, and rehearse in a mini version of the iconic Disney musical. Acting, vocal technique, and choreography will be taught each week. Complete with costumes and orchestrated tracks, the cast will then perform their show on the last day of the session.

Fun with Food**Danielle Levine****Wed. 3:15-4:15/1-4****Fee: \$240**

Come make tasty, healthy treats together! In Fun with Food you’ll learn to mix, measure, and melt, plus read a recipe, chop with child-safe knives, open cans and operate a blender. We’ll prepare healthy, fun treats then enjoy them together, starting with “Eating the Rainbow” i.e. tasting different colored fruits and vegetables while learning the health benefits of each. Make Protein Krispies Scoops, Apple Nachos, Healthy Ice Cream, and other tasty, creative snacks. You’ll come away with recipes for the treats prepared during the sessions, and often some to take home to share with your families.

**Students with food allergies and repeat students are welcome; treats will be chosen and vary from previous sessions accordingly.*

Piano
Katie Calnon

Wed. 3:15-4:15/1-6
Fee: \$240

This class offers an introduction to the world of music through the development of piano skills. Students will learn basic music notation, harmony, rhythm, and song form while practicing solo repertoire. Beginners and returning students are all welcome to attend, and all students will perform in a recital at the end of the session. Books will be provided.

STEM: Science & Engineering - NEW!
NORY

Wed. 3:15-4:15/2-4
Fee: \$260

Science & Engineering is a well-rounded STEM specialty program consisting of the most popular hands-on projects from multiple areas of Science (Biology, Physics, and Chemistry) and Engineering (Structural and Electrical Engineering). Students are not only empowered by structural engineering concepts like hinges, levers, and 3D design, but also practice using different materials/tools such as fasteners, and foam-board. We make it a point at NORY to give students a chance to use what they learn to address social issues and empathize with real people... whether it's designing a new city or working to use recycled materials to create gifts and usable structures, students are constantly building confidence and an eagerness to tackle new design challenges. *Note: Children will get to bring home their projects.*

Intro to Digital Photography - NEW!
Digital Arts Experience

Wed. 3:15-4:15/3-6
Fee: \$275

Discover the world of digital photography! Students will first learn about different styles of photography and look at the work of various artists. They will learn about photo composition and explore working with the manual settings on the camera. Finally, they will explore photo editing. Students can expect to take home several prints of their photos. The DAE can provide cameras, but if students have access to a camera it is strongly recommended that they use their own.

Fun with Fitness* - NEW!
Hi Five Sports Metro

Wed. 3:15-4:15/3-6
Fee: \$240

Our Fun with Fitness class is for students looking to have fun while learning to improve their fitness level and create healthy habits needed to excel in sports and recreational activities. During the class the children will learn about nutrition, basic movements, strength and conditioning, and how the body works. Your child will learn to set goals and achieve them all while having lot of fun. The program will be led by coaches who have experience in working with fitness and child development to ensure your child gets the most out of the class. ** The club will be held outdoors. In case of inclement weather, the club will be held in the APR except for 4/29 (APR not available).*

THURSDAY

Lax-Tastic Lacrosse* - NEW!
Overtime Athletics

Thurs. 3:15-4:15/K-2
Fee: \$240

Come play the fastest game on two feet! Our Coaches will teach you the skills you need to play Lacrosse; cradling, passing and catching, scooping, shooting and defense. We'll even provide the sticks for this introduction to the game and exposure to the basics of Lacrosse! Capture the Lax Ball, Ground Ballhogger and Dodger are some of our favorite games to play. This perfect mix of scrimmaging and stations allows players to interact with Coaches and teammates in a fun and exciting way. Come catch the fever that is Lacrosse, one of the fastest growing sports today! ** The club will be held outdoors. In case of inclement weather, the club will be held in the APR except for 4/30 (APR not available).*

Jr. Engineer Explorers
STEAMblazers

Thurs. 3:15-4:15/K-2
Fee: \$260

This program introduces our youngest engineers to the basic concepts of engineering from a variety of engineering fields. Through open and focusses exploration, children will design and construct a number of engineering projects. Examples of activities: Rubber band helicopters (Aerospace Engineering), Presto-chango Dough (Chemical Engineering) and Eggcellent Drop (Mechanical Engineering).

My First Lemonade Stand - NEW!
SPARK Business Academy

Thurs. 3:15-4:15/K-2
Fee: \$250

Let's sell lemonade! Join us for this fun class, where you will learn how to make yummy lemonade and how to earn money selling it! Fun sessions empower students with an entrepreneurial mindset for their lemonade stand. Students learn about marketing, finance and strategy in a supporting environment fostering team work. From designing marketing flyers to estimating profits to experimenting with recipes, young students will have fun while engaging in enriching activities with a lasting developmental impact. Students work in teams and donate profits to a charity when they launch their lemonade stand in the spring!

Arabic
Michel Rabbah

Thurs. 3:15-4:15/K-6
Fee: \$250

Marhaba! This course focuses on learning to write, read, and speak Arabic. Get familiar with the Arabic language and numerical system. Practice conversing in simple social situations. Already fluent? No problem! Course material will be adjusted accordingly.

YOGA - NEW!
Danielle Levine

Thurs. 3:15-4:15/1-4
Fee: \$240

Calling all yogis! In this playful yoga class, you will learn yoga poses and sequences, breathing, and relaxation exercises which cultivate a calm mind, increase strength and flexibility, and improve gross and fine motor skills. Open to beginners as well as experienced students. *Please bring a yoga mat to class.*

The Paint Palette - NEW GRADE LEVEL!
Stephanie Bruno

Thurs. 3:15-4:15/1-6
Fee: \$250

Kids will enjoy a step by step experience in creating their own piece of artwork that they can take home to show mom and dad! The kids will have fun sketching out an idea for a painting which they will later paint onto a canvas. Art can be an incredible experience when mixing primary colors into an array of color combinations. Their amazing artwork will develop into a unique masterpiece!

Piano
Katie Calnon

Thurs. 3:15-4:15/1-6
Fee: \$240

This class offers an introduction to the world of music through the development of piano skills. Students will learn basic music notation, harmony, rhythm, and song form while practicing solo repertoire. Beginners and returning students are all welcome to attend, and all students will perform in a recital at the end of the session. Books will be provided.

Cartooning*
Emily Gosweiler/Creative Heart

Thurs. 3:15-4:15/2-6
Fee: \$245

Let your imagination go wild and make your very own comic book! In this fun class, kids will learn the basics of cartooning: story development, creating interesting characters, drawing bodies in motion, exaggerated facial expressions, and wacky environments. In addition, students will explore other areas of comic art including flip books, caricatures, and one panel punchlines. Everyone will go home with their very own custom-made comic books! **The club will run for 8 weeks only (no club June 4).*

FRIDAY

STEM: Science & Engineering - NEW!
NORY

Fri 3:15-4:15/K-1
Fee: \$245

Science & Engineering is a well-rounded STEM specialty program consisting of the most popular hands-on projects from multiple areas of Science (Biology, Physics, and Chemistry) and Engineering (Structural and Electrical Engineering). Students are not only empowered by structural engineering concepts like hinges, levers, and 3D design, but also practice using different materials/tools such as fasteners, and foam-board. We make it a point at NORY to give students a chance to use what they learn to address social issues and empathize with real people... whether it's designing a new city or working to use recycled materials to create gifts and usable structures, students are constantly building confidence and an eagerness to tackle new design challenges. *Note: Children will get to bring home their projects.*

- Outdoor Soccer*** **Fri. 3:15-4:15/K-2**
NY Red Bulls **Fee: \$220**
 NY Red Bulls Soccer brings to Edgemont a blend of all the best-known practices and coaching methods from around the globe. Through a unique games-based approach to teaching soccer, every child has the opportunity to develop motor skills, social skills, coordination, general athletic ability, and a love of soccer in a stimulating, motivating, and educational environment. * *In case of inclement weather, the club will be held in the APR except for 5/1 and 5/29 (APR not available).*
- Phreaky Physics** **Fri. 3:15-4:15/K-2**
Mad Science **Fee: \$250**
 Is your energy potential or kinetic? Find out with us as we explore centrifugal force & gyroscopes. Become a junior engineer and experiment with axles, pulleys, levers gears and wheels. Some of the weekly topics in this session are Harnessing heat, mad science machines, mad magnets, super structures, under pressure, “current” events, lights-color-action, “watts” up, energy burst and “fun”-damental forces.
- LEGO: Jurassic Brickland - NEW!** **Fri. 3:15-4:15/K-2**
Bricks 4 Kidz **Fee: \$225**
 You’re about to enter Jurassic Brick Land! Students will build a world that comes to life with our battery powered, motorized gentle Brontosaurus, ferocious Velociraptor, terrifying T. Rex, and more. We’ll learn about amazing dinosaurs that lived during the Jurassic period, and other extinct, prehistoric animals that roamed the earth and swam the seas during that era and millions of years later. Come learn, build and play at Jurassic Brick Land class! All students will receive a battery, motor and a tech brick starter kit at the end of the session.
- Nature Detectives** **Fri. 3:15-4:15/K-4**
The Nature of Things **Fee: \$245**
 Each week in this hands-on program, children will learn all about our animal world, what animals do, and how they do it. This program brings live animals to the classroom with accompanying activities and crafts.
- Chess** **Fri. 3:15-4:15/K-6**
National Scholastic Chess Foundation **Fee: \$240**
 Come one, come all! This chess class is for all skill levels, in all grades. Multiple teachers will be on hand and students will be taught according to ability. From the very beginner to the advanced, all are welcome to enjoy the wonderful game of Chess.
- Piano** **Fri. 3:15-4:15/1-6**
Katie Calnon **Fee: \$220**
 This class offers an introduction to the world of music through the development of piano skills. Students will learn basic music notation, harmony, rhythm, and song form while practicing solo repertoire. Beginners and returning students are all welcome to attend, and all students will perform in a recital at the end of the session. Books will be provided.
- Let’s Draw!** **Fri. 3:15-4:15/2-6**
Michel Rabbah **Fee: \$240**
 This class will not only offer step-by-step instructions for beginners but also drawing exercises for all skill levels to work on shading, 3D objects, character sketching, and more! Children will be exposed to different themes ranging from nature to still objects to human profiles. Repeat students are welcome as projects will be varied accordingly!

REGISTRATION INFORMATION

The After School Club catalogs with course descriptions will be available online through the PTA website <http://www.edgemontpta.my-pta.org>.

**** ALL REGISTRATIONS MUST BE SUBMITTED ONLINE ****

REGISTRATION

Online registration will open Tuesday, March 3rd at 8:30 pm, and close Wednesday, March 11th at 10:00pm.

- To register for a club, log onto the PTA website at <http://www.edgemontpta.my-pta.org>. You must be a registered user with a username and password to use this site. You can register and create your own username and password on your first visit to the site.
- Open the Events & Clubs tab, select the After School Clubs link in the left-hand column, and follow either of the links to the two Eventbrite.com registration sites located at the bottom of the page. Follow the link to the site for each school to register for clubs offered at that school. Reminder: all students are eligible for enrollment in clubs at either school; parents are responsible for transportation.
- Using Eventbrite.com, you will be able to browse all of our club offerings for the session. You can then register by adding the clubs you've selected to a shopping cart. Once you have added clubs to your shopping cart, you will have 12 minutes to complete the checkout process. Registration will be finalized only when payment is received at checkout. Once you've completed the checkout process, you will receive an email confirmation of your order.
- **REMINDER: To register for a club offered at either school, you must go to the Eventbrite site for that school.**
- Please note that you can only register your own child(ren) in clubs.
- Registration is on a first-come, first-served basis. Once the maximum class size has been reached, Eventbrite.com will not allow anyone else to register for that club. **To be added to the wait list of a sold-out club, do not use Eventbrite's wait list function.** Please email your request directly to either greenvilleasc@gmail.com or seelyplaceasc@gmail.com, depending on the club in question.
- **Cancellation Policy:** Any requests to cancel a registration through March 11th will be subject to a \$50 cancellation fee. **No refunds or credits will be issued for any reason after March 11th.** When a club has sufficient enrollment, we confirm with the vendor that it will run, and pay the vendor's fee for the session based on the number of students enrolled. Vendors do not refund us when a student drops out of a club, so we cannot allow a registered child to withdraw from a club after March 11th for any reason without penalty. Please make your choices with care. We appreciate your cooperation and hope your children enjoy their chosen clubs.
- **Late Registration:** There will be a \$50 fee for all late registrations.

For more information regarding registration, or if you experience difficulties during the registration process, please contact:

- Yookie Chung, Amy Haggemiller, Parul Awasthy, or Erica Vinograd at seelyplaceasc@gmail.com regarding clubs at Seely Place; or

- Pascale Naber at greenvilleasc@gmail.com regarding clubs at Greenville.

WAIVER

Upon completion of your child(ren)'s enrollment, you will be agreeing to the waiver below:

I agree to waive, release, discharge and otherwise indemnify the Edgemont PTA, the Edgemont School District, and its officers, employees, agents, and associated personnel of these organizations from and against any and all claims, cost liabilities, expenses, or judgments, including attorney's fees and court costs arising from my child's participation in the After School Clubs or any illness or injury resulting therefrom. I further agree to indemnify and hold harmless the Edgemont PTA, the Edgemont School District and its officers, employees, agents, and associated personnel of these organizations from and against any and all such claims, whether caused by negligence or otherwise. I hereby give my consent to have an athletic trainer, coach, emergency medical technician, nurse, medical treatment facility, and/or doctor of medicine or dentistry or associated personnel provide my child with medical assistance and/or treatment and agree to be financially responsible for the cost of such assistance and/or treatment in the event of injury while participating in an After School Club. I hereby authorize emergency transportation of my child to a medical treatment facility should an aforementioned individual consider it warranted. I hereby represent that I understand and am familiar with the nature of the activity/activities in which my child will participate and have personally read and understand this waiver.

PROGRAM GUIDELINES AND POLICIES

The After School Club policies have been updated. Please read and note that these policies will be in effect for all sessions.

1. At each school, designated personnel will supervise children participating in the clubs between the close of school at 3:00 and the start of clubs at 3:15.
 - **At Greenville**, all 1st-6th grade students will report to the APR after school is dismissed. **Only kindergarteners will be collected from the lunchroom by a designated person, who will escort them to the APR.** Club instructors will collect their students shortly before 3:15 from the APR and escort them to their club's assigned location.
 - **At Seely Place**, all 1st-6th grade students in 3:15 clubs will report to the APR after school is dismissed. Students with a 3:05 club start will report directly to that club's assigned location. **Kindergarteners will be collected from their classrooms by a designated person, who will escort them to the APR.** Club instructors will collect their students shortly before 3:15 from the APR and escort them to their club's assigned location.
2. **PICK UP PROCECDURE AT SEELY PLACE:** All students that must be signed out by an adult will be dismissed from the APR at 4:15pm.
3. Please remember that students from both schools are eligible for clubs regardless of location. Parents are responsible for transportation.
4. Enrollment, room location, time and dates of all After School Clubs will be posted on the PTA Bulletin Boards at Greenville and Seely Place. Please check those boards carefully. No phone calls will be made to let you know if your child has been admitted to a club and there will be no reminders of start or end dates.
5. Please make sure to pick up your child **promptly** after each class and sign out with the instructor. **If you do not give your child permission to "leave alone from club" through Eventbrite, then your child must be signed out by an adult at the end of every club. If your child attends the YMCA after club, please note that during registration. Instructors are not responsible for your child after club is over.**

*******Please note your dismissal preference during registration, as it is very problematic to change once registration is closed and rosters/attendance sheets are generated*******
6. The behavior of children enrolled in the After School Clubs must be consistent with the **proper** behavior expected in the classroom during normal school hours. If a student's behavior is repeatedly disruptive and affects the functioning of the club, the student's parents/guardians will be put on notice. If the disruption continues, the student may be removed from all future sessions of the club and no refund will be given.
7. **Instructors are not obligated to make up classes - indoors or out - that are cancelled for weather-related reasons.** Parents or caregivers of students enrolled in After School Clubs must check their emails daily while clubs are in session for important updates. **If schools are closed due to inclement weather, there will be no After School Clubs.**
8. If a minimum enrollment is not met for a given club, it may be necessary to cancel that club. If this happens, you will be notified by the After School Club coordinators, refunded the club fee, and given the option to enroll your child in a different club.

- 9. Cancellation Policy:** Any requests to cancel a registration through March 11th will be subject to a \$50 cancellation fee. **No refunds or credits will be issued for any reason after March 11th.** When a club has sufficient enrollment, we confirm with the vendor that it will run, and pay the vendor's fee for the session based on the number of students enrolled. Vendors do not refund us when a student drops out of a club, so we cannot allow a registered child to withdraw from a club after March 11th for any reason without penalty. Please make your choices with care. We appreciate your cooperation and hope your children enjoy their chosen after school clubs.
